NOTES TO REMARK—V

NOTES :

I. Additional quota, equivalent to entitlement for one issues, on the basis of the basic entitlement fixed in accordance with Remark V of the Annexure I of the Public Notice No. 68-ITC (PN)/69, dated 12-5-1969, would be released on specific request to newspapers/periodicals for special supplements on the Life & Teachings of GURU NANK, brought out by them during Quincentenary Celebrations in September—November, 1969, when this requirement was met under allotments made in 1969-70. Request for this allotment should be accompanied with a copy of the issue, containing the special supplement. Allotment would be made in imported newsprint.

2. Additional quota would also be granted to daily newspapers towards increase in circulation during October 1969—March 1970, on specific request in the following manner:—

- (i) With basic entitlement on circulation upto 15,000 copies and less as calculated *vide* para V of Annexure I of Public Notice No. 68-ITC (PN)/69, dated 12-5-1969. 10% increase over basic entitlement. Increases would be granted in imported newsprint.
- (ii) With basic entitlement on circulation above 15,000 and upto 50,000 copies as calculated *vide* para V, referred to above. 7½% increase over basic entitlement. Increases would be granted in Nepa newsprint and printing and writing paper in equal proportion.
- (iii) With basic entitlement on circulation above 50,000 and upto 1,00,000 copies as calculated *vide* para V referred to above. 5% increase over basic entitlement. Increases would be granted in printing and writing paper.
- (iv) With basic entitlement on circulation above 1,00,000 copies as calculated *vide* para V, referred to above. 2½% increase over basic entitlement. Increases would be granted in printing and writing paper.

VI. The entitlement for newsprint will be met by issue of import licence (s) or authorisation(s) in favour of applicants in terms of para V above in the following manner:—

Annual entitlement	Quantity to be allowed in imported newsprint	Quantity to be allowed in indigenous newsprint manufactured by Nepa Mills. NOTES:

1. Standard newsprint licensed from "free resources" will have to be imported by newspapers against contracts entered into with specific suppliers in foreign countries by the State Trading Corporation of India Ltd. Since the suppliers do not entertain orders in plots of less than 25.00 tonnes, newspapers with entitlement less than 25.00 tonnes would be granted a direct licence if they arrange imports through an established importer and specify the same in the 'J' Form. Otherwise, they would be granted authorisation on S.T.C. of India Ltd.

2. (a) Glazed/Rotogravure newsprint would be allotted to glazed users of periodicals upto the level of their glazed entitlement in 1969-70, the balance of their entitlement would be released in unglazed imported newsprint. Allocation of glazed/rotogravure newsprint would be made to such periodicals also, which have not been granted glazed newsprint or Art paper in the past, for 4 pages, in accordance with their basic entitlement, as fixed under Remark V.

(b) Full entitlement to periodicals, using 55 grammes variety would be released in rotogravure. The periodicals using 60 grammes would be released full entitlement in glazed, where their total entitlement is less than 100 tonnes; to others glazed (60 grammes) and rotogravure (55 grammes) would be released in equal proportion.

3. Allotment to all categories would be made in reels only. An additional quantity for conversion of reels into sheets at the rate of 10 per cent in respect of standard newsprint would be granted to newspapers with entitlement up to 25.00 tonnes.

4. Nepa newsprint and printing and writing paper in lots of less than 10.00 tonnes will normally not be allotted.

5. Allocation of newsprint in accordance with the entitlement as fixed is subject to availability of foreign exchange or newsprint or either or both. In case either or both fall short, appropriate cuts will be made.

6. The entitlement for standard newsprint as also for printing and writing paper would be worked out on 53 grammes substance. Additional 5 per cent on the entitlement of Nepa and printing and writing paper so worked out would be released as compensation for higher grammage.

7. On applications received after 1st September 1970, cut would be made on entitlement as follows:—

(i) Applications received up to 31st December, 1970	10%
(ii) Application received beyond 31st December, 1970 upto 31st March, 1971.	20%

VII. Increases

Dailies and periodicals would be allowed increases over the circulation on which the basic entitlement is fixed under Remark (V), on application in the following manner:—

(a) DAILIES

- (i) Dailies with circulation upto 15,000 copies 20% increase over their basic entitlement. Increase would be granted in imported $\frac{1}{2}\%$ newsprint.
- (ii) Dailies with circulation of more than 15,000 copies and up to 30,000 copies. 17% increase over their basic entitlement. 10% increase would be granted in imported newsprint and remaining $7\frac{1}{2}\%$ in Nepa newsprint.
- (iii) Dailies with circulation of more than 30,000 copies and up to a circulation of 50,000 copies. 15% increase over their basic entitlement. 10% would be granted in Nepa newsprint and the remaining 5% in printing and writing paper.
- (iv) Dailies with circulation of more than 50,000 copies and up to a circulation of 1,00,000 copies. 10% increase over their basic entitlement. Increase would be granted in printing and writing paper.
- (v) Dailies with circulation of more than 1,00,000 copies. 5% increase over their basic entitlement. Increase would be granted in printing and writing paper.

(b) Periodicals :

- (i) Periodicals with circulation upto 15,000 copies. 25% over their basic entitlement. Increase would be granted in imported newsprint.
- (ii) Periodicals with circulation of more than 15,000 copies and up to 30,000 copies. 20% over their basic entitlement. Increase would be granted in imported newsprint.
- (iii) Periodicals with circulation of more than 30,000 copies and up to 50,000 copies. 25% over their basic entitlement. Increase would be granted in Nepa newsprint.
- (iv) Periodicals with circulation over 50,000 copies. 10% over their basic entitlement. Increase would be granted in Nepa newsprint.

NOTES:

- (1) Page-increase would be granted to weeklies on specific request in lieu of the increases admissible to them on the above basis (VII) (b), by 2 pages in standard size up to 16 pages in standard size over the number of pages and size on which their basic entitlement in terms of Remark (V) is fixed.

(2) Increases to glazed-user periodicals would be granted in unglazed imported newsprint.

(3) Where any periodical has effected change in its periodicity after 1961-62 and is eligible under Remark V for its quota on the earlier periodicity, on request its entitlement would be revised to its periodicity in 1968-69. The revised entitlement would be worked out on its circulation in 1961-62 plus increases granted thereon and average number of pages and page-area in 1957 or its circulation in the year in which change in periodicity was effected plus increases granted subsequently and its average number of pages and page-area in that year whichever is less. Where the performance in 1969-70, is less than the entitlement worked out as above, the quota would, however, be released on the basis of actual performance.

(c) Increases would be granted to the existing dailies and periodicals over the increases mentioned in (a) and (b) above, if even by the grant of these increases their entitlement is less than the entitlement to which they would be admissible if treated as a 'new' daily/periodical under Report (IX) below:

VIII. With the exception of allotment mentioned in Remark VII, no allocation of newsprint and/or Indigenous printing and writing paper other than newsprint will be made to newspapers/periodicals on account of increase in their circulation, number of pages, page-area and periodicity over their entitlement as fixed in Remark V. However, within the authorised quantity of newsprint and/or indigenous printing and writing paper authorised for the licensing period, each newspaper/periodical will be free to adjust its circulation, number of pages and page-area to meet its individual requirements. The 'Common ownership units' will not be permitted to adjust the authorised quota of the Unit between their various publications, even when the publications bear the same title/name.

IX(a) *New Dailies*.—New daily newspapers will be allowed an initial quota to build up an average circulation upto 10,000 copies of 8 pages of standard size (393.75 sq. inches) per publishing day during the first three months, after commencement of publication. For first three months, imported newsprint from State Trading Corporation's stocks and Nepa Newsprint would be released in equal proportions. After three months of regular publication, the new dailies will be required to produce evidence (Chartered Accountant's Certificate in the form given in Annexure II to this Public Notice), of the average circulation achieved and the average page-area and number of pages printed during the first three months, and their entitlement would be fixed on the average circulation actually achieved and the average number of pages and page-area actually printed in the first three months subject to a maximum of 15,000 copies and 8 pages of standard size.

(b) *New Weeklies, Tri-Weeklies and Bi-Weeklies*.—New weeklies, tri-weeklies and bi-weeklies will be allowed an initial quota to build up an average circulation up to 10,000 copies of 8 pages of a standard size (393.75 sq. inches) per publishing day during the first three months, after commencement of publication. For first three months, imported newsprint would be released. After three months of regular publication, the new weeklies, tri-weeklies and bi-weeklies will be required to produce evidence (Chartered Accountant's Certificate in the form given in Annexure II to this Public Notice), to show the average circulation achieved and the average page-area and number of pages printed during the first three months, and their entitlements would be fixed on the average circulation actually achieved and the average number of pages and page-area actually printed in the first three months subject to a maximum of 15,000 copies and 8 pages of standard size.

(c) *New Periodicals, other than Weeklies*.—No quota would be allotted to such periodicals for the first three months. After three months of regular publication, publishers of such periodicals should submit an application in Actual Users Form along with information contained in Annexure IV and a Chartered Accountant's Certificate showing the average circulation achieved and the average page-area and number of pages printed during the first three months. Quota would be allotted to new periodicals, for the rest of the licensing period for the average circulation actually achieved and the average number of pages and page-area actually printed during the first three months subject to a maximum of 15,000 copies and 16 pages of standard size for these periodicals.

(d) The existing newspapers which did not obtain clearance for the use of newsprint or licence/authorisation in 1969-70 will be treated as in para IX(a), (b) and (c) above.

X. No newsprint would be made available for additional newspaper(s) sponsored/acquired by a Common Ownership Unit nor would they be allowed to bring out new newspaper(s)/periodical(s) from their authorised quota. Multi editions of a newspaper which commenced publication in the period 1969-70 after being permitted to consume newsprint from the quota authorised to it in the period 1969-70 under the proviso to Remark X of the Public Notice No. 68-ITC(PN)/68, dated 12th May 1969, may utilise quota of the said newspaper for the period 1970-71 also.

NOTE.—'Common Ownership Unit' for the purpose of this Notice means a newspaper establishment or concern owning two or more news interest newspapers, including atleast one daily, irrespective of the centre(s) of publication and language(s) of such newspapers.

XI. The following categories of periodicals will not be entitled to the allocation of newsprint notwithstanding that they are classified as newspapers:—

- (i) Journals published primarily to promote sale of goods or services;
- (ii) House journals/magazines brought out by individuals/firms/industrial concerns;
- (iii) Price-list and catalogues;
- (iv) Publications intended for free distribution;
- (v) Fiction;
- (vi) Racing Guides;
- (vii) School/College magazines; and
- (viii) Teaching journals/Teaching guides.

XII. If any newspaper/periodical had not fully utilised the quantity allocated in 1969-70 including the increases sanctioned in that period, the unutilized quantity shall be adjusted from its entitlement for 1969-70. To enable the Registrar of Newspapers for India to determine the consumption o' newsprint in 1969-70, the particulars (month-wise) of circulation, pages, page-area and number of publishing days in 1969-70 should be furnished by the newspapers/periodicals in the form given in Annexure II to this Public Notice. The consumption in 1969-70, would be worked out on the actual number of days published in the period. The particulars furnished in Annexure II referred to above should be certified by a Chartered Accountant. The Chartered Accountant's Certificate need not be submitted where the circulation of a newspaper/periodical is less than 2,000 copies per publishing day.

NOTE: (1) Separate Chartered Accountant's Certificate(s) in the form given in Annexure II(a) should be furnished by newspapers, in support of consumption of quantity authorised to them in the period 1968-69 and/or 1969-70 under Public Notice No. 140-ITC(PN)/68, dated 16th July, 1968, for bringing special issues during Gandhi Centenary Celebrations, along with special issues for adjustment of quantity unutilised.

(2) Allotment made in 1969-70 under schemes for export promotion etc., would also be taken into account for determining quantity unutilised by the newspapers in 1969-70.

XIII. The number of copies distributed free, unsold returns or any other copies printed but neither sold nor distributed free would be taken into consideration for purpose of allotment/consumption of newsprint, provided these represent a reasonable percentage of the print order and not in any case exceeding the following limits:—

Circulation	Dailies tri-and bi-weeklies.	Weeklies and fortnightlies	Monthlys, quarterlies and others
upto 2,500	10%	20%	25%
Between 2,500 and 5,000	10%	15%	20%
Between 5,000 and 10,000	10%	10%	15%
Above 10,000	5%	5%	10%

XIV. Where the newspapers/periodicals have not supplied copies of their issues stated to be published in the year 1969-70 as required under section 11B of the Press and Registration of Books Act, 1867 read with Rule 5 of Registration of Newspapers (Central) Rules, 1956, the consumption worked out *vide* Remark XII above, would be subjected to a cut as follows:—

Regularity of more than 50 per cent and less than 75 per cent ..	25%
Regularity of more than 25 per cent and less than 50 per cent ..	50%
No quota will ordinarily be released to newspapers whose regularity is less than 25 per cent.	

XV. Small newspapers whose entitlement for newsprint is, and who apply for a licence for less than 40.00 tonnes per annum shall be exempted from payment of import licence application fee and production of Income-Tax Verification Number. This exemption will not cover applications for art paper quota.

XVI. If any actual user is not in a position to import newsprint or art paper against the licence issued the Actual User may apply for a 'letter of authority' in favour of the party, through whom it is desired to effect import, provided such party holds quota certificate(s) for newsprint, or are the sole agents of the foreign suppliers.

XVII. *Art Paper.*—(a) Licences for art paper for cover pages and/or inside pages will be issued only to those periodicals which were granted licences for art paper for cover pages and/or inside pages in 1969-70.

(b) Where art paper is licensed for cover pages for periodicals printed on newsprint the grammage for square metre will not exceed 100 grammes for periodicals having upto 100 pages per publishing day and 135 grammes in case where the number of pages exceeds 100. A higher grammage may be allowed, on the merits of each case for cover pages of periodicals printed entirely on art paper. The decision of Registrar of Newspapers for India in this behalf shall be final.

(c) Entitlement for art paper for cover pages and/or inside pages will be worked out on the basis of the number of covers and/or inside pages published on art paper and average circulation during 1969-70, subject to a maximum of allocations made in 1969-70 in respect of imported and indigenous art paper. A Chartered Accountant's Certificate in the form given in Annexure III to this Public Notice should be furnished in addition to Chartered Accountant's Certificate in the form given in Annexure II to this Public Notice.

XVIII. Licences for art paper will be issued on annual basis, subject to the conditions prescribed for annual licences in the Red Book for the year April 1970—March 1971. Licences for glazed and standard newsprint will also be issued on annual basis. These licences will, however, be subject to the condition that they can be utilised only upto 50 per cent of the quantity and value covered by them upto the 30th September, 1970. It will not be necessary for the actual users to return licences for glazed and standard newsprint for endorsement in respect of utilisation of the balance 50 per cent. Licences issued for standard and glazed newsprint for an annual entitlement upto Rs. 20,000 in terms of value, can be utilised in one lot at any time within their validity and will not be subjected to the condition regarding utilisation of 50 per cent only upto the 30th September, 1970.

XIX. For the purpose of this Public Notice, the Registrar of Newspapers for India may make such marginal adjustments as may be necessary.
